HELPING FINANCIAL ADVISORS **HELP THEIR CLIENTS.**

## DEVON MAIN

### RELATIONSHIP MANAGER

Advisors enjoy having Devon Main as their Relationship Manager because he is a leader who does not fear new ideas. What this means to you is he works open-mindedly, is friendly and works collaboratively to foster a positive outcome. Devon has been in the financial services industry for over 22 years and holds the Chartered Retirement Plan Specialist designation from the College for Financial Planning. He began his career locally working with CFP's at The Advisors Group. Eventually he worked for a large Regional Bank traveling all over the Western United States. Next came a National Mutual Insurance Company where he rose to Regional Vice President. He finally formed his own independent practice here in Arizona through a life insurance-focused broker/dealer and now calls IPG home. The real benefit in working with Devon is his dedication to client service, as he genuinely wants to make the life insurance process easier for advisors and their clients. Devon strongly believes in providing expertise that adds value to an advisor's business and knows that enhancing the client experience is the best way to keep and grow a business. He enjoys doing just about anything with his daughter, Ashley, and loves reading, traveling, the beach, and Arizona State University Sun Devils football.
