## DOUG WRIGHT

### PARTNER AND DIRECTOR OF OPERATIONS

Doug Wright cherishes honesty and believes that a person's commitment does not need to be proven, because it proves itself. What this means to you is Doug works for things of real value, such as family, friends, faith, country and the legacy he will leave behind. Doug has been in management most of his career and started in the financial services industry in 1996. He joined IPG in 1999 as one of the firm's three original staff members. Doug has been involved with all aspects of the business and has had the opportunity to see IPG evolve into the premier organization it is today. Doug oversees human resources, employee benefits, payroll and accounting, database management, reporting, facilities, and IT duties. Doug has been instrumental in organizing the IPG Leaders Conferences through the years. The real benefit when working with Doug is the personal connection he achieves by valuing the lives of all of our clients. Doug and his wife Vicki live in Glendale, AZ with their four-legged family members. They enjoy spending time with their children, grandchildren, close friends, movies and volunteering at their church.
